

Route 29 Widening  
Albemarle County

**Public Notice  
of Section 4(f) Finding**

Pursuant to 23 CFR 774.3(b), the Federal Highway Administration (FHWA) intends to make a Section 4(f) finding of *de minimis* impact related to the use of approximately 0.44 acres of an Albemarle County-owned Greenway Conservation Easement as identified on Albemarle County tax map 46, parcel 5A. Consistent with this easement, construction of the Route 29 widening project will improve pedestrian access in the area of this parcel by adding a five-foot wide sidewalk along the eastern perimeter of the property.

Information concerning this proposed finding is available at the Virginia Department of Transportation's Culpeper District Environmental Office at 1601 Orange Road, Culpeper, Va. 22701. Public comments on the effects of the project on the protected activities, features, or attributes of the property are invited and should be directed to Rick Crofford, VDOT District Environmental Manager, by telephone (540) 829-7509, or email [Rick.Crofford@VDOT.Virginia.gov](mailto:Rick.Crofford@VDOT.Virginia.gov).

Comments must be posted or delivered to the address or phone number above within 15 calendar days of the date of this public notice.
